Child safety and 8 police detectives with bullet proof vests on entered my home at 7:30 pm to remove my children on the grounds that they had a positive reading to methampetmines at a prior address of mine. This reading they are saying is in conjunction with production but couldn't answe my questions about how long a reading will show a positive result for because I had been raided at that address and they didn't didn't even leave with 1 point of methamphetimine or drug utensils
