Melissa Eickhoff created by PDF a fake document converting my parents handwriting to Capital Letters on a fake Schedule. There are no such Acts or Legislation that exists as written on the template. Melissa Eickhoff tried to pass it off as a live birth registration. Contact revealed she had entered the Kite System to access the file without permission. The attached certificate was non binding, not bonafide and effects a stolen identity act. It was reported by no action taken. SAPOL were referred to and SAPOL referred back to BDM. The fake ID was used by SAPOL to convict me.
