Where is the failure of lawful due process ?

Public Servant Failed To Identify Themselves

Describe the incident. 500 word limit. Please number your paragraphs

I called the Busselton DCP office to ask Andrew Kennedy his job title. He refused to give it me. He ask for my name which I gave, expecting a reciprocal courtesty. He asked what family I represented and I said I wasnt going to say as they were in fear. He said he wouldnt tell me his job title unless I diosclosed the family name. I asked why he would hide that information. I ask if he was the manager, and admin or the janitor, and what did he do there. I reminded him that he was a public servant , paid by public purse and should be providing his job title. He continued to refuse.

This is a public servant thinking he is not answerable to the people, that he has corporate immunity, and that he doesn not have to identify himself. Fail.

Eamil address given of Gemma Varney who works in the same office, as none available for Andrew.
