2.21. As evidenced here. This is a slave document. :

**2.22. All debt is dissolved as the debtor accounting is collapsed against the Creditor accounting.**

2.23. This is GESARA. The Global Economic and Security Reformation Act, restoring the correct accounting upon Planet Earth.

2.24. There is a military operation to remove corruption and we thank the military and the Q team for this vital and incredible service to Humanity.

2.25. However: unless the People are writing the standards of Lore/Law to serve our own wellbeing, we remain under Guardianship, deemed incompetent and at the whim of the 'statutory frameworks' created in Parliament by Public Servants, paid on the Public purse and who are part of a 'private, class based, club'.

2.26. The Age of Guardianship is finished.

2.28. There is no voice higher than ***Crown: We The People of Superior Jurisdiction.***

2.29. Let no one, and no entity, assume to have superior jurisdiction.

2.30. There is no such concept as 'Corporate Immunity'. This is a tool of a 'private statutory framework' that facilitates criminal activity on an alleged promise of no accountability. Where once that standard may have been successful, that door is now firmly closed.

### **2.31. Maxim of Law: All Are Accountable Before The Law.**

2.32. As the current Court system is a function of, and a creation of, the 'statutory and legislative framework' of inferior jurisdiction, and does

2.32.1. facilitate Corporate Immunity,

2.32.2. And failure of Lawful Due Process,

2.34. And the Lores/Laws to guide and protect Humanity.

2.35. These Lores/Laws are inherent in Nature.

2.36. They are ***not*** man made.

### 2.46.1.1.28. *The End.*

2.47. A private banking system, ***also known as slavery***, and a mandate on health choices, ***also known as slavery***, represents violations of the primary pillars of Law:

2.47.1. Free Will

2.47.2. and Informed Consent,

2.47.3. and Do No Harm.

2.48. Whilst we create a space for those who believe the pandemic was real and not a vaccination agenda, and have not yet done sufficient research to comprehend the extensive strategy behind a global attempt to vaccinate the entire humanity with a privately owned product, and therefore would have no awareness of the statistics of **Harm and Injury** upon Humanity, we cannot, at this advanced stage of this depopulation agenda, also called genocide, accommodate argument with regard to these matters.

At best, one would be directed to the now extensive library of documentation regarding the results of this still unfolding; slow massacre. And will continue to unfold for many generations to come.

The research and the statistics of job loss, business collapse, Harm and Injury, early death, sterilisation and a ticking time bomb of myocarditis for millions, are more than overwhelming; and adequately documented, for anyone to see.

Vast numbers of professional organisations have now evolved to harness back into the landscape the primary pillars of Law, so that they may continue to serve humanity without being subjected to the control mechanisms of the private agenda of the private corporation that likes to call itself 'government'.

To attempt to argue the matter at this advanced stage, merely identifies oneself as having done no research in this violent genocidal agenda. In 2023, it is not tolerated in our communications, because it represents a further assault upon the safety and freedoms of humanity. We appreciate the loving hearts of those who refuse to believe that such an evil plot and plan could exist. But it does.

2.49. And thus, Humanity does rise to meet any attempts to enforce this agenda, as Crimes Against Humanity, and to render the perpetrators guilty of treason, fraud and slavery, before a competent court of Lawful Due Process.

### 3. THE OLD SYSTEM:

- 3.1. The 2000 year Age of Pisces is complete.
- 3.2. We are in a time equivalent to Noah's Ark.
- 3.3. This is the time of Revelation, where all will be revealed.
- 3.4. These cycles are an approximate 2000 years as per the Precession of the Equinox, an approximate 26 000 year outer Galactic cycle and mapped by the ancient Mayans. Knowledge of this cycle is available for anyone who cares to do research.

- 3.5. As the landscape of the outer cycle shifts, we seek both awareness and take permission to implement the systems appropriate for the new Age: The Age of Aquarius.
- 3.6. The Age of Guardianship, a function of the Pisces Age, is therefore complete.
- 3.7. The term and function of Guardianship, is a nice name for slavery, and has facilitated the dumbing down of humanity and the rape and pillage of the resources of Mother Earth for the gain of the 'private club' at the expenses of the masses.
- 3.8. Hence this gross mismanagement of resources upon Mother Earth.
- 3.9. Humanity is now free from this sleep.
- 3.10. Hence why this time is called '**The Great Awakening**'.
- 3.11. The shift of Consciousness is with us.
- 3.12. Hence when Humanity now shows up in the capacity of the **Executor and Beneficiary**, the **Guardians** must take the position of the **Trustee** and administer resources as per the instructions of the **Executor**. Or be held accountable for **slavery**.
- 3.13. We conclude this Age where Humanity has been administered under 'Guardianship', **without free will or informed consent.**
- 3.14. Guardianship, and the Board of the Guardians, has allowed for Humanity to not be consulted about major decisions, as those under Guardianship are deemed '*incompetent*'. And do not need to be seen, nor heard.
- 3.15. This 'Guardianship' status has been critical to unfold what has been the prevailing architecture of slavery.

[executiveorders.life](https://executiveorders.life) E: [wethepeople@executiveorders.life](mailto:wethepeople@executiveorders.life)

- 3.16. This status has been a powerful *trick* played upon the Consciousness of Humanity, generating centuries of confusion, scarcity, misery and extreme misuse of planetary resources.
- 3.17. And Humanity knows it. When we have decades and centuries of folks wailing in despair and hardship, despite our abundant planet, we are surely existing in a architecture that generates sorrow and problems, instead of joy and wealth and health.
- 3.18. This represents an *absurdity in Law*, and is no longer tolerated.
- 3.19. Thus such an allocation of the status of 'Guardianship' has facilitated a Private sector of individuals, largely banking, to easily control and manipulate the greater population for their own private profit and benefit.
- 3.20. Indeed, they have been the beneficiaries of the life force current of Humanity, monetised into a privately owned financial system, whilst Humanity has suffered by paying for resources that Humanity is already **inherent Custodian** of.
- 3.21. Under no circumstances would government of corporation have superior jurisdiction over the word of **Crown: We The People, of Superior Jurisdiction** in the management of Mother Earth and the efficient right of use of resources.
- 3.22. Thus this document serves as a global document of Lore/Law.
- 3.23. In this old system, the greater Humanity cannot be seen nor heard because of this status of 'Guardianship'. Thus rendering what they may want or say, to be deemed irrelevant.

- 3.23.1. The Court system, a Private **legal** system that refers to itself as Law, and is a function of banking, is astute at denying individuals the sovereign status, should they state it.
- 3.23.2. And thus; Law is lost. And slavery is born.
- 3.24. The greater Humanity has been merely part of the 'human herd', maintained for profit.
- 3.25. Thus it has been a Private banking and corporate crown system that has owned Humanity through layer upon layer of deception, across century after century, and by fraud upon fraud.
- 3.26. And thus, where 'all are **not** all equal before the Lore/Law' in this system.
- 3.27. This is a system of **Crimes Against Humanity**.
- 3.28. This system is 720 years old if time stamped just back to Unum Sanctum, 1302, a Vatican based legal, **but not lawful**, instrument in which Humanity and Planet Earth fell under the spell of Vatican 'ownership'.
- 3.29. Such an instrument is a 'legal fiction' and violation of inherent Natural Law.
- 3.30. We may venture further back, but this time frame will suffice as the same model is simply used over and over again. We are currently in an upgrade of the same model, for those with eyes to see and ears to hear.
- 3.31. But time has run out for this model. Of that, we can be we sure.
- 3.32. This parasite energy upon the life force energy of Humanity; is complete now.
- 3.33. The current banking system has been replaced by the QFS and GESARA.

3.34.1. *'Whoever controls the volume of money in any country is absolute master of all industry and commerce... and when you realise that the entire system is easily controlled, one way or another, by a few powerful men at the top, you will not have to be told how periods of inflation and depression originate.'*

***1881, President James Garfield.***

3.35. We are in a period of inflation right now.

3.36. This is a 4 minute overview of this corrupt system of slavery.

<https://screencast-o-matic.com/watch/c3iljkV0EyG>

3.37. The Reserve Bank of Australia is a franchise arm of this global Rothschilds Banking system, of 1913. It has many chapters, but again, 1913 will suffice for an 'upgrade' of a same cycle. Many might say we are in another upgrade right now of the same banking cycle, based on newest technologies, such as QR map and track of humanity.

3.38. Indeed, we are in an upgrade. But it is not the same broken system that violates Lore/Law. For we are at the end of an Age.

3.38.1. The current system did have Klaus Rothchild Schwab deliver to humanity the S.M.A.R.T city, without consultation with those who are supposed to occupy these high surveillance landscapes.

- 3.38.2. And is the face of the World Economic Forum (WEF), with its highly developed plans, all paid for by us: Humanity. But without any consultation with us, Humanity. Thus, this is slavery.
  - 3.38.3. For where else does a Private Banking system get its funds from, if not for having monetised the People, via the Birth Certificate - a receipt in commerce, for its own profit.
  - 3.38.4. Because of the status of Guardianship, there are no terms of trade made available for this powerful tool in commerce, as Humanity does not need to know what is happening to it; when it is under 'Guardianship'.

3.39.4. This **monetary policy** works in the following way:

Aided by World Economic Forum corporations like **Coles and Woolworths**, owned by Blackrock and its subsidiary Vanguard: who are thus easy parts of the banking machinery; and serve to jack all their prices up to substantiate the fictional concept that the remedy to 'inflation' is to raise interest rates, leaving the household with less disposable income to buy food, thus to decrease demand, and thus stimulate suppliers to lower their prices due to a lack of demand for their products because the bank ensured it had the Peoples money and they could not afford to eat.

3.39.5. Yes, another macabre manipulation of Humanity.

3.39.6. This is an acute absurdity in Law.

3.39.7. This is a private game.

3.39.8. This is manipulation of the most fundamental mechanism of supply and demand.

3.39.9. ***So in that crazy theory, not only will you not be able to afford to eat, because food is now so expensive, you will also be giving additional funds to the 'bank'. Did your pay cheque go up to match all the prices rises? No. Of course not. It is not called 'tightening the screws' for nothing. It is a cruel game upon the lives of Humanity.***

3.39.10. ***This is slavery. Criminal Code 270. 25 years jail.***

3.39.11. Seven consecutive interest rates later,

3.39.11.1. off the back of a near 3 year pandemic landscape;

<https://www.fmgil.com.au/about-fortescue/board-of-directors>

3.39.18. It is often said the Reserve Bank 'makes money up out of thin air'. But actually it does not.

3.39.19. We can clearly see where the Reserve Bank monetised the People in UCC document 2001059388 for **\$14 300 000 000 000 000**, filed and recorded 7.3.2001, in Washington DC, at 10:49:45am, for a filing fee of \$20. Slave document:

3.39.20. The private Federal Reserve Bank, with its many global franchise arms of government and corporation then went on to benefit from the event, whilst community continued to suffer in a landscape of extreme scarcity, misery and debt slavery.

3.39.21. Notably 9/11 also occurred later in the same year. That being an event to disrupt the inevitable, that being the rise in Natural Lore/Law to realign Humanity with a **People owned economic system**, and not a slave based economic system.

3.39.22. The perpetrators of 9/11 were the Bush administration. Since terminated at Guantanamo Bay for Crimes Against Humanity.

3.40. Further: also quoted from Bill Still's 'The Secret of Oz', you tube:

3.40.1. *Quote by the bankers:*

*'We must go forth cautiously and consolidate each acquired position, because already the **inferior social stratum** of society is giving unceasing signs of agitation. Let us make use of the Courts... When, through the Law's intervention, the common people shall have lost their homes, they will be more easy to control and more easy to govern and they shall not be able to resist the strong hand of the government acting in accordance with the leaders in finance.'*

3.40.2. And true to this claim, in a current mortgage case, just merely asking a request of the bank, 'please provide current proof that you are the holder of the mortgage note' resulted in:

3.40.2.1. the matter being moved into the Supreme Court, by Dentons Global Legal Firm on behalf of ING

3.40.2.2. and whereby the global legal team, Dentons, actually put in writing; penned by Brian Smith: St George's Terrace, Perth Branch: *'the loan transactions can be comfortably proven to the standards required by the Supreme Court for enforcement.'*

3.40.2.3. This is despite the standards failing all 8 maxims of Law of a valid contract. You may view these essentials here:

<https://executiveorders.life/press-release-record/#gallery-22-35-5403>

3.40.2.4. All banking products are based in treason, fraud and slavery.

3.40.2.5. All banking products are **Null and Void**, and will be administered at a global level throughout 2023.

3.40.2.6. Thus identifying that the writing of **statute and legislation** is simply a private rule book of of a private club, who then refer to it as Law, but it is not Law at all.

3.40.2.7. This system of statute and legislation allows for criminal activity within its construct in which, no one is allegedly accountable, due to their public servant **corporate immunity**, a 'legal fiction' that does not exist as a protection in Law. This rule book is no different to the rules of the

game of Monopoly or Snakes and Ladders in which anything may be allowed.

3.40.2.8. But in Law, only Maxim of Law is allowed.

3.40.2.9. Any behaviours failing Maxim of Law, render all matters to be **Null and Void**. In this way, Humanity is protected from **treason, fraud and slavery**.

3.40.3. Thus confirming, we do indeed live in a corrupted system of slavery and fraud upon fraud, and whereby even the Courts, also known as the bank, are engaged in fulfilling the rule book of the private statutes and legislations, of the private club, and are undoubtedly handsomely paid.

3.40.4. All Trust Law has been broken.

3.40.5. All mortgage documents have been on-sold to hidden third hands in a tranche to an RMBS - Residential Mortgage Backed Security. Investors are Institutions - such as superannuation and insurance.

3.40.6. This is a giant Ponzi scam with your life.

3.40.7. Thus, the Supreme Court is not a Court of Law at all.

3.40.8. It is merely a Private Bankers tool to fulfil the private objective of the enslavement of humanity.

3.40.9. That is, the POSOC, the Private Operating System of Commerce, implemented through Parliament.

3.40.10. This system is **Null and Void**, by its own corrupted hand.

3.40.11. With the restoration the **True Creditor: Humanity**, comes the restoration of Lore/Law. **Rule of Lore/Law: All Are Equal Before The Lore/Law.**

3.40.12. Alignment with Maxim of Law is the measuring tool of all actions.

3.41. Lore/Law in this Old System has been sleeping.

3.42. Hence why this current period in history is referred to as **'the Great Awakening'**.

3.43. Humanity is waking up to Lore/Law and the power it has to protect Humanity from tyrannical systems.

3.44. Lore/Law was replaced by a Private legal system that refers to itself as Law, but is not Law at all.

3.45. For clarity, this 'legal system' is referred to as a 'legal fiction'.

3.46. No different to the game of Monopoly where everything is fiction, including the rules. Someone made them up. They are not binding, and they are not Lore/Law.

3.47. To clarify; this legal system is housed in Parliament.

3.47.1. Beginning in 1265,

3.47.2. Parliament is a **class** based tool to govern Humanity.

3.47.3. Where one class of People rule over another class of people,

3.47.4. who are allegedly inferior and of lessor value,

3.47.5. except to generate profit from within a private commercial landscape.

3.48. Thus failing **Rule of Lore/Law: All Are Equal Before The Lore/Law.**

3.49. This commercial landscape is referred to as the **POSOC** and is created in Parliament: the **Private Operating System of Commerce**, in which Humanity is a commodity; for harvest and profit by the few.

3.51. You may view diagrams of explanation on the home page of

<https://executiveorders.life/>

View Graphic 1 and Graphic 2. Half way down the page.

3.52. To further clarify: In alignment with a quantum transition in banking and accounting,

3.53. And the implementation of Lore/Law,

3.54. The now *redundant* system of Guardianship is identified in the following way:

3.55. Humanity was in a Private Trust: Unum Sanctum 1302

3.56. without free will and informed consent

3.57. Deemed a commodity for harvest,

3.58. By a Private elitist, subset of society.

3.59. Humanity has been referred to as the 'Public'

3.60. The Private sector has afforded itself a powerful status called

'**corporate immunity**' that has **allowed** individuals to implement

Crimes Against Humanity, and allegedly not be accountable or answerable.

3.61. 'Corporate Immunity' is a 'legal fiction'.

3.62. It does not exist in Lore/Law. It offers no protection in any way whatsoever.

3.63. Effectively; it is a license to commit crimes and allegedly get away with it.

3.64. Without this fictional mechanism of 'corporate immunity' to function in corporate commerce, the landscape for Humanity would look very different.

3.65. Humanity would expect from each other 'right way'. Not protect the Corporation, as has been seen in the covid landscape in which many uninformed individuals

dutifully carried out the mandates for the corporation, despite violating inherent rights of Free Will and Informed Consent. The very basis of the Nuremberg Code of 1947.

3.66. Without this trickery and lack of knowledge in Law, the covid19 agenda would never have been able to gather the momentum it did.

3.67. A global virus is a fiction of epic proportions, whereby its success is wholly dependent on the People being dumbed down to know nothing about health, and nothing about Lore/Law. This has been by design.

3.68. The management and distribution of vital resources would be very different, if Lore/Law were in charge. Hence why Lore/Law is not restored.

3.69. Countries of hunger and poverty are a contrived outcome of this fictional system upon our vastly abundant planet Earth.

#### 4. THE NEW SYSTEM:

4.1. The Age of Aquarius, the Age of Humanitarianism has begun.

4.2. This is the beginning of Humanity self governing: Humanitarianism.

4.3. Whilst a new banking system is being implemented at a military level, it is ***Crown: We The People, of Superior Jurisdiction*** who are charged with the task of defining how we will be treated.

4.4. With each day we create the future, in coherence with Natural Lore/Law and inherent right of use of resources, as evidenced by our mere existence upon the Earthly plane.

### The Meek Shall Inherit The Earth. Matthew 5:5

- 4.5. All hidden accounting is brought to light.
- 4.6. Announcing Executor and Beneficiary standing, and having it ignored is an act of **slavery**. Criminal Code 270, 25 years jail.
- 4.7. All personal debt for use of inherent right to resources - such as water, electricity, council rates, may be issued and paid via a **Notice of Acceptance** back to the provider who will then collapse the debt against the Creditor accounting.
- 4.8. The Treasury, and the Reserve Bank: now a function of the Treasury; will facilitate that.
- 4.9. QFS. GESARA.
- 4.10. The End.

### 5. The Banking System:

- 5.1. The True Creditor, **Crown: We The People, of Superior Jurisdiction**; is hidden.
- 5.2. The accounting to reflect the **True Creditor** is hidden.
- 5.3. The Creditor is alleged to be the Bank.
- 5.4. And the debtor to be We The People.
- 5.5. This is fraud.
- 5.6. This is slavery.
- 5.7. This is treason.

5.8. Let it be known far and wide, the Private Banking system, in which humanity has been monetised, via the Birth Certificate, as the debtor, by the Bank, which claims the position of Creditor, is a system of **slavery** and is hereby terminated by the following process:

### 6. The Hidden Accounting

6.1. The **True Creditor is Humanity.**

6.2. The debtor is the bank.

6.3. This accounting is hidden.

6.4. The remedy is simple.

**6.5. All debtor accounting is collapsed against the hidden accounting of the True Creditor.**

6.6. Thus restoring the majority of debt, back to zero.

6.7. And thus bringing much needed relief to Humanity.

6.8. That process is now underway.

6.9. Refer to this document to establish your Office of Executor and Beneficiary. Any instructions issued, and ignored are guilty of slavery.

- 7.2. The government and corporation who have been the Board of the Guardians, and the alleged Creditor; and the Bank, are now the Trustees, and the True Debtor.
- 7.3. **Maxim of Law** clarifies: that which is created can never have Superior Jurisdiction over that which created it.
- 7.4. Again, it is the Guardianship that has allowed the government to take the position of overseer of all matters and for Humanity to play a dumbed down role inside the Guardianship, easily distracted by lifestyle tranquillisers such as sport, alcohol, gambling, debt, phones, pornography and poverty; which drives perpetual misery, extreme emotions and therefore drama and crisis. This is a contrived landscape.
- 7.5. ***We The People, who have been a tradable object for profit: the chattel; now resume the correct position as the True Creditor, that being Custodian of Mother Earth, and conduct business from the position of Executor & Beneficiary.***

- 8.2. And completely stupid. The idea that a virus could travel around the world, through various climates; is a unique form of stupid.
- 8.3. Global pandemics are a **ludicrous** concept to anyone with their intention anchored in the true nature of the natural eco-system. And can thus recognise that a 'global pandemic' cannot exist in nature in any way whatsoever.
- 8.4. But does exist in the corrupt hands of treasonous corporations, such as the World Economic Forum and its assorted octopus tentacles.
- 8.5. The ongoing dialogue and research by the many who continue to pinpoint the corruption of 'science and implementation' of the covid19 privately owned business plan of profit; is welcomed. So that all perpetrators of this global **Crimes Against Humanity** are appropriately apprehended.

### 9. The Private and The Public

- 9.1. The Private and the Public is a class based system whereby some know and create the rules of commerce, but most do not know the rules at all; but are subjected to using the system all day, every day.
- 9.2. Thus 'We The People' will not be the 'Public' of the private class.
- 9.3. The Public is merely a tool in commerce, fashioned through the Birth Certificate that facilitates the movement of a fictional source of exchange to occur between all transactions.
- 9.4. The use of the Birth Certificate as a tool of slavery is strictly forbidden.
