INDEPENDENT AUDIT & INVESTIGATION

By Crown: We The People of Superior Jurisdiction Audit Team:

Restoration of Rule of Law: All Are Equal Before The Law

AUDIT: 23.9.2021 - PRESENT.

- 1. Overarching Document for Judiciary: a Re-education and Accountability Document.**
- If you are receiving this document, please read it. It contains important matters of liability.
- This matters pertains to those of jurisdiction. And the practice of in the various privately owned Courts of chattel slavery. An old system of considerable architecture.
- We have observed Magistrates throw communications on this letterhead over the bench and scoff at it as 'that Sovereign stuff'.
- It is strongly advised that Judiciary do not do that.**
- The repercussions are severe for incompetent Judicial Officers who fail to recognise the word of the Sovereign, as it renders the Sovereign to be slave. And that is Crimes Against Humanity.
- To the Judiciary:** of the private Courts that allege to be Law, but are Statute and Legislation of the private corporation that calls itself the 'Australian Government'.
- And write State and Legislation via the private Parliament and positions Humanity to be the debtor and the Customer.
- We are the Creditor and the Custodian, and all system are in a 180 degree flip to be put back into Right Order, by Right Way.
- 10. The private Courts of statute have no jurisdiction over the Living in any way whatsoever.**

11. The Courts achieve outcomes by acts of extreme violence. This is upheld by Police, also called Policy Officers of the private corporation that calls itself the Australian Government, and by Court Security Guards. All matters are monitored.
12. No games will be played with Jurisdiction.
13. **Crown: We The People of Superior Jurisdiction** are the Creditor and the Custodian.
14. And corporation; the dead fictional construct is : inferior jurisdiction. Its language is limited to what Parliament writes for it. And that does not reflect Right Order, or Right Way.
15. We own the Public Servant sector. We pay for the Public Servant sector.
16. **At no time** did we ever agree to be administered by this system/machine and have our traditional tribal structures wiped out. Accountability is in process.
17. Humanity is in charge of itself and all systems.
18. We are a land under Belligerent Occupation. We are very clear about that. All parties are on Notice.
19. **Assistance to the Judiciary**: as we are end the end of Ages, there is a significant shift in the management of the Master Trust and 'who is who' in the Trust.
20. We are clearly aware that the Judiciary are not trained in these matters and have little hope of coping with the dialogues without significant assistance from us; the People who are navigating the Trust back into its correct position. That is:
21. Since 1302 when Pope Boniface declared himself King of the World and placed all of Humanity and all the resources into a Private Trust called Unum Sanctum; Humanity has been under Guardianship. A nice name for slavery. Hence why the Courts are often so violent and belligerent. The Judiciary have been trained to believe they have powers they do not have. Hence all manner of chaos erupts. Driving matters on and on and on, all creating revenue for the Public Servant sector whilst burning up time and energy of **Crown: We The People of Superior Jurisdiction**. And often taking with it marriages, or life wealth, or freedom.
22. Thus; the paradigm **was**: The People = chattel slaves administered by The Board of the Guardians inside the fictional enclosure of 'legal' alleging to be Law. .
23. That time is finished now.
24. The new paradigm is:

25. The People are now Executor and Beneficiary which moves the Board of the Guardians into the position of Trustee.
26. Competent Trustees follow the word of the Executor and administer resources accordingly.
27. Yes, this is a shift of power.
28. Yes, we appreciate those who have had the power may not like that.
29. However, Lore of LAWS: Rule of Law: All Are Equal Before The Law, Magna Carta 1215, guides the way as to 'Right Way' and 'Right Order'.
30. No one is free to simply make stuff up and call it Law.
31. Nor use 'gentle force' a term etched into the floor of the Supreme Court at the David Malcolm building, to achieve a position that moves against Law.
- 32. Maxim of Law: All are accountable for their actions.**
33. Please note we are very kind and gracious People. We are kind because we recognise that everyone is trapped in this psy-op of misplaced power and misappropriated resources.
34. But Law will be administered as required.
35. Particularly further now to this brief education, any matters of Trespass upon the Sovereign will be dealt with swiftly and in full accountability to the Order below.
 - 35.1. **Terra Australis Grand Jury 25 Order #7 31 August 2023.**
36. Further Notes for education in Law and History.
37. The 'Australian Government': is a franchise arm of an unelected globalist 'government'. It is at best a Public Servant, but certainly not an authority. Humanity is the authority.
38. It is fair to say, that as a Humanity, we are more than bored of having our very valuable time consumed in this chaos of alleged 'Law'. It is not Law at all. And creates violence in so many different ways.
39. To the reader, vast teachings of the difference between Law and Legal exists at www.Executiveorders.life as this system is either overhauled to reflect Law, or is completely eradicated. The latter is more probable. As this is an incredibly violent system.
40. The charade is over and full accountability is in progress.
41. Each day of our lives is valuable. Far too much time is spent dealing with the chaos of this system.

42. Further to the Terra Australis Grand Jurys, held every month since September 2021 when Humanity found itself embroiled in a privately owned, massive genocide and profit generating business model called covid19, which was announced in the 60's via a paper called 'Silent Weapons for Quiet Wars', the need to remove this fiction, also known as slavery, from our landscape and **Restore Rule of Law: All Are Equal Before The Law**, became imperative.
43. **Maxim of Law: All are accountable for their actions.**
44. Corporate immunity is a myth and cannot protect you in Law.
45. There is a list of Judiciary and their performance. Some are competent, others are tyrants.
46. All should be aware of the following Terra Australia Grand Jury:
- 46.1. Our lives are not free.
- 46.2. Our time is very expensive and this private business model called the 'Australian Government' is not free to simply engage our lives in it's game of commerce and presume that we are beholden to it's Statutes and Legislation. That is not the case. Humanity is beholden to Maxim of Law.
- 46.3. The level of violence perpetrated by this system is astounding and one must question where such barbaric behaviour originates from ?
- 46.4. **Terra Australis Grand Jury 25 Order #7 31 August 2023.**
- 46.5. <https://executiveorders.life/press-release-record/entry/6412/?gvid=19830&pagenum=2>
- 46.6. Order #7: New fee schedule for Judiciary:**
- 46.7. 7.1. In addition to Terra Australis Grand Jury 12. Order # 3 12 August, 2022
- 46.8. Re: Judges and Magistrates, being of inferior jurisdiction: due to being part of the Poor Laws 1535 and their ongoing development to this modern day, and being part of a system that was created without the free will and informed consent of

46.10. Those who fail to acknowledge Superior Jurisdiction when announced, that being Divine Special Appearance, or Executor and Beneficiary, or the living man or woman, or any other term used to describe the same, will be deemed incompetent and removed from their position.

46.11. 7.2 Or, at the choice of the Executor, may incur a fee of **\$333 000 AUD** in equivalent hard asset, eg: Gold or Silver.

46.12. for perverting justice for a first offence. To overrule the Executor is to deem the Executor a slave. Criminal Code 270, Slavery, 25 years jail.

46.13. 7.3. And sum certain **\$666 000 AUD** in equivalent hard assets, eg: Gold or Silver, for a second offence.

46.14. 7.4. Guantanamo Bay is reserved for possible placement.

46.15. 7.5. And a Public Listing.

46.16. 7.6. Effective immediately.

46.17. 7.7. What say you Jurors?

46.18. **7.8. Unanimous Yes**

47. No one ever elected this corporation as a 'government', nor agreed to be under its Statutes and Legislation.

48. Certainly the First Nation folks did not. They have never ceded their Sovereignty.

49. Nor does that occur by using instruments in the marketplace such as Centrelink, or Drivers Licenses.

50. This trick by the Creature of Statute is that in consuming all the resources and placing them a private Trust, behind private instruments, it forces People, under duress or wilful ignorance, since nothing is made transparent, to use the instruments to access their Inherent Right to Resources. That does not correlate to a surrender of Sovereignty. It is simply fulfilling an essential need to access resources.

51. There will be no trickery here.

52. Nor with the ALL CAPITALS name. The Living Being is not the ALL CAPITALS NAME, but will use it as a tool in commerce if required.

53. If the reader believes differently, please rebut in detail how and when Humanity agreed to be under the management of this incompetent corporation that cannot even present itself in Truth.
54. It creates secrecy clauses: 'Suppression Order's to hide criminals, like corporate pedophiles. Heffernan Report. That incident alone renders this entire system to be so lawless, it needs to empty itself from our very valuable buildings that it occupies.
55. It relies on Humanity being completely stupid, which is far from the case.
56. This system has no problem
- 56.1. kidnapping children whilst calling it child protection.
 - 56.2. stealing land and property, by failure of even Statutory process between the Supreme Court and Landgate.
 - 56.3. throwing people in mental health institutes and refusing to let them out whilst forcing injections of unknown cocktails into them whilst being held down by 8 security guards. And then forcing them to agree to a regular injectable treatment order of an unknown psychotropic drug and forcing them to agree to the label schizophrenia so they can get it at a cheaper price.
 - 56.4. It bashes people.
 - 56.5. Locks them in the lock up and strips them naked. And agrees to let them out if they agree to be attached to bail.
 - 56.6. Writes blatant lies about people.
 - 56.7. Holds court cases without the defendant in the room.
 - 56.8. Holds court cases without the claimant in the room.
 - 56.9. Assigns sentencing when there is no evidence on the table.
 - 56.10. Jails People when they have not been found guilty.
 - 56.11. It is a system out of control.
 - 56.12. It is a slave system.
57. This is a violent, lawless system that generates it's own sales, via the Policy Officers, called Police, who regularly assault Community, and so begins the Circuit Court. Where who knows where one might free themselves from this system. Matters drag on and on with very little achieved at hearing after hearing. It is a complete mess.

58. This document represents the overview of this matter and others.
59. We are aware the Judges and Magistrates are the Board of the Guardians.
60. Humanity never agreed to be under Guardianship by a private corporation called the Vatican and its private instrument called Unum Sanctum 1302.
61. Humanity is not incompetent.
62. Humanity is incredibly competent and intelligent. Even when it has had a generational purposeful disinformation agenda steeped against it.
63. Humanity can see through the fraud of this private legal system where it has assigned the term 'Public' to Humanity. We are not the Public. We are the People.
64. And certainly none of us ever agreed to be administered by a private globalist corporation calling itself Law.
65. Particularly First Nation, who merely had this system arrive upon its shores and unfold its Crimes Against Humanity slave system upon a people who are highly sophisticated with a highly sophisticated system of Lore.
66. The Lore of Laws: Land Air, Water Spirit. Also known as Maxim of Law. To which Humanity is beholden.
67. 'We witness the Police unfolded extremes of violence upon Humanity. That is because the Police are the Policy Officers of the private corporation that calls itself the Australian Government. They are certainly not Peace Keepers for the People. Police regularly turn on the People to ensure the private corporation rains in tact. As Police and Judiciary are paid on the Public Purse; those funds being generated by the monetisation of the Birth Certificate, these are acts of treason, fraud and slavery.
68. Basics in Law are completely ignored by the Judiciary, thus dragging simple cases on and on, hearing after hearing, thus why this system is called the Circuit Court. It is a commercial enterprise: The Private Operating System of Commerce. It has made a product out of Humanity. By processing us through endless streams of fabricated authority.
69. Those days are ended.

71. Please refer to the above notes carefully. These are changing times.

72. In fact, they have changed.

73. The ongoing assault upon Humanity, particularly First Nation; by the 'government', is beyond unacceptable.

76. Guy Evans is an Initiated Lore Man.

77. He knows the Lore.

78. He is a competent individual.

79. And he knows this private legal system is not the Lore.

80. And it never acquired his consent to rule over him.

81. And he certainly knows this system does not have jurisdiction over his affairs.

82. Nor to have harmed him as it has done.

83. Nor to have tangled his life up in claims by Police Officers that they have incurred injury.

84. When they are armed and entered his yard.

85. Such Police are incompetent Officers and should be dismissed.

86. It is time wasting, revenue raising rubbish.

87. The Magistrate is on Notice to ensure an Initiated Lore Man is not interfered with in a Statute system of inferior jurisdiction.

88. Guy attends to resolve these matters as at 22.10.2024, in the capacity of Executor and Beneficiary, thus positioning the Magistrate to be a competent Trustee.

89. That will be determined by the outcome of the hearing.

90. Guy has no history of any bad behaviour.

91. The neighbours have known him his whole life and know him to be a gentle individual.

92. Now his beautiful life has been tangled up in this toxic mess.

93. There are few words to describe the brutality and incompetence of Policy Officers of these short 5 sentences that follow.

94. As Policy Officers they did their job to create a sales opportunity in the private courts of commerce. And enter him into the circuit. No consent.

95. As Police Officers, allegedly being Peace Officers for the People, but are actually Policy Officers for the corporations, this behaviour is unfit for service.

96. It is uneducated, unsophisticated and will not be tolerated.
97. Further, when calling the Police Station in Kalgoorlie, on the day of the incident, the usual scenario unfolded of 'yeah we have him but we can't talk to you'.
98. The Police may not take People into their custody and then deem them to be behind private affairs.
99. It is an absurdity in Lore.
100. We have now written Terra Australis Grand Jury Orders to cover that whenever an individual is taken into custody by the private corporation that calls itself the Australian Government, they must be 'mappable 24/7' and welfare checks must be available 24/7.
101. **39th Terra Australis Grand Jury - 11.11 am AWST 17.10.2024**
- 101.1. Order #10. Safety of Detainees**
- 101.2.** All detainees must be mapped and tracked 24/7 for welfare checks. Jails and associated detention facilities, closing at 4pm, and then not being available for welfare checks is strictly forbidden.
- 101.3. Failure to provide a welfare check is a fine of \$25 000 to the individual.
- 101.4. And to the jail. \$250 000.
- 101.5. What say you Jurors?**
- 101.6. Unanimous Yes.**
102. We are not your property. You cannot just snatch us off the street and detain us for however long and put us through all your processes as if we are owned.
103. That costs \$10 000 per day.
- 104. Terra Australis Grand Jury # 31 Order #9 24th February 2024**
- 104.1. 9. Order #9 False incarceration and penalties.
- 104.2. 9.1. \$10,000 per day for any form of false incarceration.
